

DANISH BIOIMAGING NETWORK NEWSLETTER

NETWORK NEWS

**Danish BioImaging Meeting
2021 - still two parts:**

**Virtual May 19-20, 2021
Physical in the fall 2021**

**Sign up for the May meeting
now!**

May is here, hopefully bringing warmer and brighter times along with the reopening of society. With any luck this means that we can soon meet in person again. Until then we hope to “see” many of you at the virtual Danish BioImaging meeting May 19-20.

If the restrictions and circumstances have given you ideas to new networking needs or opportunities please contact me or the Management Committee and remember that you yourself can also apply for [support](#) for such activities.

As always, please contact me if you have any news you want to share or questions about the network activities.

All the best and have a lovely weekend

/DBI Network Coordinator Rebecca Engberg, reen(at)dtu.dk

May 2021 Highlight

Remember to sign up for the Danish BioImaging Meeting 2021 on May 19-20

The virtual Danish BioImaging Meeting program is ready and the [registration site](#) is now open. We have invited a number of top international speakers to inspire our community and will conduct the meeting on the platform Gather.town to ensure a lot of networking, with a full morning-noon program both days.

Confirmed speakers:

- Florian Jug, Dresden, Germany
- Nalan Liv, Utrecht, The Netherlands
- Alba V Prado, Paris, France
- Kevin Brindle, Cambridge, UK
- Christophe Leterrier, Marseille, France
- Christian Eggeling, Oxford, UK

Looking forward to seeing you!

On behalf of the Management Committee of Danish BioImaging and the organizing committee at DTU.

Last chance to give your input on needs for bioimage analysis

As we mentioned in the last newsletter, we are looking into starting new initiatives within image analysis with the aim to gather experts and users throughout Denmark and to create a stronger community in this important field of bioimaging.

As a first step, we asked you to fill out a short questionnaire about your needs and applications of bioimage analysis. Thank you to the many who did that. If some of you missed the opportunity to give your feedback we will keep the survey open a little longer for you to participate. The questions can be found at [here](#)

If you have additional questions or ideas, you can contact Rebecca Engberg (reen(at)dtu.dk) or Daniel Wüstner (wuestner(at)bmb.sdu.dk).

OPEN CALLS AND POSITIONS ([MORE ONLINE](#))

- **#LOCAL** [DBI Open Call 2021](#) to promote interactions between network members, for example for courses, meeting and seminars. Applications are welcome for 3.000 – 10.000 DKK.
- [Post-Doctoral Research Associate](#) for the advanced imaging group at the Comprehensive Cancer Centre at King's College London, deadline May 16
- **#LOCAL** [Image Analysis Specialist](#) to The Novo Nordisk Foundation Centers for Stem Cell Biology (DanStem) and Protein Research (CPR) at the University of Copenhagen, deadline May 31
- [Scientific collaborator](#) in spatially resolved transcriptomics at EPFL Switzerland, no deadline

CONFERENCES AND WORKSHOPS ([MORE ONLINE](#))

- **#LOCAL** [Danish BioImaging Meeting](#) 2021, May 19-20, virtual.
- [European Light Microscopy Initiative 2021](#) (elmi2021), June 22-25 – virtual format

COURSES ([MORE ONLINE](#))

- [Course on New Imaging and Fluctuation Methods](#), Organized by ALM at SciLife, Stockholm, Sweden, 31st May – 11th June 2021
- [Super-Resolution Microscopy online course: Time-Resolved STED Nanoscopy](#), The ALMF, part of Euro-BioImaging's EMBL Node, and Leica Microsystems are organizing a small workshop on STED microscopy for early career scientists. Please apply to attend by May10

WORK GROUPS CONTACT INFORMATION

WG1: Image Analysis tools and data management

Daniel Wüstner, SDU – wuestner(at)bmb.sdu.dk

WG2: Pre-clinical imaging

Eastern Denmark: Jan Henrik Ardenkjær-Larsen, DTU – jhar(at)dtu.dk

Western Denmark: Michael Pedersen, AU – michael(at)clin.au.dk

WG3: Electron Microscopy

Casper Hempel, DTU, Nanotech – cash(at)nanotech.dtu.dk

Klaus Qvortrup, KU, qvortrup(at)sund.ku.dk

WG4: Light Microscopy

Western Denmark: Christian Garm, AU–christian.garm(at)biomed.au.dk

Eastern Denmark: Eva Arnspang Christensen, SDU – Arnspang(at)kbm.sdu.dk

WG5: Correlation and connectivity

Jane Nøhr, BioPeople – jane.noehr(at)biopeople.ku.dk

WG6: Training and knowledge exchange

Please let us know if you want to be a leader of this work group
